modules.

This conference is aimed at all healthcare professionals involved in the care of the person with diabetic foot problems: podiatrists, consultants, diabetologists, practice nurses, diabetes specialist nurses, tissue viability nurses, GPs, orthotists and vascular surgeons.

Also running in **London, England** – details to be announced. Please visit our website for more information.

Visit www.sbcommunicationsgroup.com/events to book your place.

1th
ANNUAL

Scottish Conference of the

Diabetic Foot

Organised by *The Diabetic Foot Journal*, The Scottish Diabetes Group (SDG) and The Foot in Diabetes UK (FDUK)

This year's event will illustrate the latest developments in Scottish diabetic foot care as well as offering interactive, practical advice and CPD-based learning opportunities. Essential clinical information at the conference will be followed by post-event easy-to-use online modules.

A mix of practical demonstrations (filmed live on stage and shown on the big screen), and step-by-step, educational videos will form the basis of a case study-based day focusing on (anonymous) audience responses to keypad questions designed to clarify and reinforce vital learning points around practical skills such as assessment, screening, offloading and ulcer classification as a basis for treatment choice.

We hope you will join us for this year's exciting and interactive event.

Matthew Young, Consultant Physician,
Edinburgh

Duncan Stang, Foot Coordinator for Scotland
and Scottish FDUK representative, Glasgow

Graham Leese, Chair, Scottish Diabetes Group,
Dundee

Joanne McCardle, Advance Acute Diabetes
Podiatrist, Edinburgh

A video case-based, keypad interactive day, with post-event online CPD learning modules.

PROGRAMME

08.00 – 08.50

Registration and exhibition viewing

SESSION 1

08.50 – 09.00
